Dear colleagues,

We are very glad that Montenegro and Budva will be the host of the 18<sup>th</sup> International Symposium of the Association of Gynecologists and Obstetricians of Serbia, Montenegro and Republic of Srpska (UGOSCGRS).

Association UGOSCGRS is a professional organization of gynecologists and obstetricians of Serbia, Montenegro and Republic of Srpska. It is the successor of the previously existing Association of gynecologists and obstetricians of Yugoslavia (UGOJ), founded in 1956. Association has held, in its previous history, 14 international congresses and 17 international symposiums.

18<sup>th</sup> Symposium will be held in Hotel Mediteran Congress centre, Bečići, Budva, 30<sup>th</sup> of September and 1<sup>st</sup> of October, 2016.

We hope that Symposium will be a nice combination of updates in gynecology and obstetrics, good time and nice weather.

We invite you to join us, refresh your knowledge and feel a breath of the Mediterranean.

President of UGOSCGRS

Prof. Dr. Aleksandar Stefanović

President of Local Organizing Committee
